were almost done. This newsletter celebrates the “Done!”
items that used to be “Almost.”

Come see us!

You, too, can come and visit us and stay in one of our lovely guesthouses! Click **HERE** for brochure.

Since summer time in the USA seems to be the best time for travel for many of you, we are putting together a trip for **Summer 2026** for individuals who may not make it out with a church team!

If you are interested, let us know by shooting us an email at nate.steury@kafakumba.org - there will be an application process that we can let you know more about.

You will be welcome to jump in as a volunteer in some of our ministries here when you come! It will give you a chance to see what God is doing at Kafakumba first hand!

Don't miss this opportunity!
